# TELL US ABOUT YOURSELF

1. What name does your family/friends call you?

2. Which district do you live in ?

3. How many years you have you been in VAS, and what are your expectations from your classmates and teacher?

4. Do you have school or personal achievements? And what things do you want to achieve that you want everyone should know?

5. Make a question on Computing or Computer Science that the class should answer (correct answer included)

# BYOD

1. Students are required to have their own devices at school. The accepted device is a LAPTOP or TABLET.

2. Please have your username and password ready and install the VAS Portal on your device.

3. Steps in registering your laptop/tablet can also be found on my website. Navigate through the menu or buttons as shown.
